JULY 21 LOVIN' HARMONY

Lovin' Harmony is a SF Bay Area-based musical trio specializing in tight-harmony vocal interpretation of jazz standards from the swing era. Inspired by the Andrews Sisters, Boswell Sisters, and Manhattan Transfer, among others, they bring energy and joy to beloved standards from the Great American Songbook. They also enjoy re-introducing some lesser-known tunes with their own interpretations.

AUG 18 "RITA & THE COSMOS"
