

## You Can Be A Happy Sports Specialist at Marin JCC Camp Kehillah 2019!

The Osher Marin Jewish Community Center is looking for talented staff to work at our awarding winning Summer Camp! A Sports Specialist should have experience working with children of all ages in an academic or camp atmosphere, a positive attitude, and be interested in working in a fast-paced, team environment. The Sports Specialist is responsible for managing all aspects of our Sports Program. This includes but is not limited to: overseeing and managing our sports closet and equipment inside, planning fun & exciting games and sports activities, and acting as a resource for other staff. While we are a Jewish camp, identifying as Jewish is not a prerequisite for employment.

All Marin JCC Camp Kehillah staff members receive a free summer membership, which includes: access to our fitness & aquatics center and discounts on JCC programs such as summer night's concerts, and food at the café. Sports Specialists also gain transferrable skills – we provide training in child development, community building, and certification in CPR and First Aid. Additionally, Sports Specialists gain leadership and supervisory experience.

**Please Note:** All Marin JCC Camp Kehillah Sports Specialists must be at least 18 years of age.

**Experience:** Prior experience with children is required. Supervisory experience and prior camp experience preferred.

### General and Specific Responsibilities:

- Plan and implement daily, age-appropriate, “hands-on” programs
- Organize sports closet, maintain cleanliness of gym and shared spaces.
- Guide and involve counselors in specialty activity
- Act as a resource for counselors regarding activities they run for their campers

### Essential Functions:

- Be able to assist in the event of sick and injured campers or emergencies (fire, earthquake, injury, etc.)
- Be able to observe activities in order to assess safety of every camper.
- Possess strength and endurance required to maintain constant supervision of campers.
- Able to handle and operate equipment used for sport activities
