

You Can Be A Happy **Unit Head** at Marin JCC Camp Kehillah 2019!

The Osher Marin Jewish Community Center is looking for talented staff to work at our awarding winning Summer Camp! Unit Heads should have experience working with children, being a peer leader or mentor, a positive attitude, and be interested in working in a fast-paced, team environment. Unit Heads are responsible for supervising their own team of camp staff, creating programs and participating in camp activities such as art, music, sports, swimming, Jewish programming, nature and much more! While we are a Jewish camp, identifying as Jewish is not a prerequisite for employment.

All Marin JCC Camp Kehillah staff members receive a free summer membership, which includes: access to our fitness & aquatics center and discounts on JCC programs such as summer night's concerts, and food at the café. Unit Heads also gain transferrable skills – we provide training in child development, community building, and certification in CPR and First Aid. Additionally, Unit Heads gain leadership and supervisory experience.

Please Note: All Marin JCC Camp Kehillah Unit Heads must be at least 21 years of age.

Experience: Prior experience with children is required. Supervisory experience and prior camp experience preferred.

General and Specific Responsibilities:

- Supervise, support and evaluate all unit staff
- Develop programming for unit
- Organize unit room & maintain cleanliness of unit and shared spaces
- Order and coordinate unit supplies
- Plan and implement unit meetings
- Act as a resource for counselors regarding care of campers and staffing conflicts
- Act as the direct communication with parents
- Manage paperwork for the unit including rosters, attendance and newsletters
- Assist in the event sick and injured campers or emergencies

Essential Functions:

- Be able to comfortably navigate short distances of rough terrain on short hikes or at campgrounds
- Be able to assist in an emergency (fire, earthquake, injury, etc.)
- Be able to observe activities in order to assess safety of every camper
- Possess strength and endurance required to maintain constant supervision of campers
