

You Can Be A Happy Staffer at Marin JCC Camp Kehillah 2019!

The Osher Marin Jewish Community Center is looking for talented staff to work at our awarding winning Summer Camp! Staff should have some experience working with children, a positive attitude, and be interested in working in a fast-paced, team environment. Camp staff supervises and participates in camp activities such as art, music, sports, swimming, Jewish programming, nature and much more! While we are a Jewish camp, identifying as Jewish is not a prerequisite for employment.

All Marin JCC Camp Kehillah staff members receive a free summer membership, which includes: access to our fitness & aquatics center and discounts on JCC programs such as summer night's concerts and at the café. Staff also gain transferrable skills – we provide training in child development, community building and certification in CPR and First Aid.

Please Note: All Marin JCC Camp staff must be at least 16 years of age, able to obtain a work permit, and be willing and able to participate in all aspects of camp.

Experience: Some prior experience with children is preferred. Prior experience at a camp a plus.

General and Specific Responsibilities:

- Be responsible for the health and safety of each and every camper
- Act as a role model for your campers and fellow staff members
- Be accountable for the appropriate behavior of your campers
- Participate in group activities, including time with Specialists and swimming
- Be able to work in a fast-paced, team environment, treating every person with respect
- Plan and implement daily group programs, including requesting supplies in advance
- Get to know the names and needs of each individual camper in your group.
- Care for children and their belongings
- Be responsible for the group's use of the facilities, including respecting property, return of equipment and clean up
- Show up on time and ready to work each day

Essential Functions:

- Be able to comfortably navigate short distances of rough terrain on short hikes or at campgrounds
- Be able to assist in an emergency (fire, earthquake, injury, etc.)
- Be able to observe activities in order to assess safety of every camper
- Possess strength and endurance required to maintain constant supervision of campers
