

## You Can Be A Happy Trip & Travel Leader at Marin JCC Camp Kehillah 2019!

The Osher Marin Jewish Community Center is looking for talented staff to work at our awarding winning Summer Camp! Staff should have experience working with children, a positive attitude, and be interested in working in a fast-paced, team environment. Trip & Travel Leaders supervise all campers both on and offsite during trip weeks, supervise and lead all overnights, gear transportation, campsite set-up, cooking and coordinate care for any distressed, sick, or injured campers during the night and much more! While we are a Jewish camp, identifying as Jewish is not a prerequisite for employment. Staff gain transferrable skills – we provide training in skills relevant to the trip or travel activities and/or provide trained activity leaders with whom you will support, child development, community building and certification in CPR and First Aid.

**Please Note:** All Trip & Travel Leaders must be 21 years of age, must possess a valid Driver's License with a clean driving record, and be able to confidently drive a 15-passenger van.

**Experience:** Experience working with children is required. Prior experience on trips of similar size, duration and locale is preferred.

### **General and Specific Responsibilities:**

- Must be comfortable managing a group of campers while traveling and providing the guidance youth need to make the most of their experience
- Oversee the youth as they set-up camp, prepare meals, and bed down for the night
- Plan, prep, and prepare all meals for the week
- Facilitating the daily fieldtrip/activity
- Planning and leading activities that are off-site and may be out of cell phone range
- Able to lift up 25lbs bags of supplies and help transport them to and from vehicles and campsites
- Ability to start, tend and properly put out a camp fire and grill
- Be accountable for the appropriate behavior of your campers.
- Be able to work in a fast-paced, team environment, treating every person with respect
- Care for children and their belongings
- Vehicle safety and working with supervisor to ensure vehicle maintenance
- Be responsible for the group's use of the facilities, including respecting property, return of equipment and clean up.

### **Essential Functions:**

- Be able to comfortably navigate short distances of rough terrain on short hikes or at campgrounds.

- Be able to assist in an emergency (fire, earthquake, injury, etc.)
- Be able to observe activities in order to assess safety of every camper.
- Possess strength and endurance required to maintain constant supervision of campers.
- Coordinate care for any distressed, sick or injured campers during the night
- Ensuring the safety and wellbeing of all campers at all times, including on overnights and during more strenuous activities
