THE *Hannukiah*  
(MENORAH)

the shamash

Different households have different customs when it comes to lighting the hannukiah. Some start the holiday with one candle and increase with each day, others begin by lighting all eight and decrease each day. Some households only light one hannukiah while others have one for each member of the family.

*Blessings* are recited first, then candles are lit from left to right.

*Baruch ata Adonai, Eloheinu melech ha'olam asher kidshanu b'mitzvotav, ve-tzevanu lihadlik ner shel Hannukah.*

Play *Dreidel* a 4-sided spinning top game.

Dreidel was created as a cover for Torah study when the Torah was forbidden.

Players get gelt (chocolate coins) & do what comes up on their spin.

Whoever has the most gelt at the end wins!

NUN  
do nothing

GIMEL  
get all of the gelt

HEY  
get half of the gelt

SHIN  
add a piece of gelt

These Hebrew letters stand for *Nes Gadol Haya Sham*, a great miracle happened there.
