

ONE ON ONE SPECIALIZED AQUATICS AN AQUATIC THERAPY PROGRAM

These appointments are suitable for adults and/or children who require a highly individualized program to address unique needs. This program is ideal for individuals recovering from illness or injury, or those with limited mobility on land. Private therapy sessions aim to decrease pain symptoms, improve joint and muscular function, and increase overall strength. This program is also beneficial for individuals wishing to work with a private instructor to supplement existing land and/or therapeutic programs.

REQUIREMENTS: A completed registration form and a completed JCC physician consent form. One 60-minute intake appointment with a licensed physical therapist. Proof of COVID-vaccination required upon entering the JCC.

Completed physician consent and registration forms can be faxed to **(415) 491-1235** or mailed to the following: Osher Marin JCC
